We trust not : but if not somebody must make hade to attack the outports of their position.

When an attack shall be made on this force which a chasee thought, rather than a deliberate perpose has taken into the heart of Maryfand, after the unexpected successes they had in front of Washington, or when that body shall decide that it is better on the whole to re-tire into Virginia, it will be made apparent that a very moderate force could have prevented their crossing to the Potomac at all. They cannot have even the sterotyped forty thousand, who are always with Stonewall Jackson, now at Frederick or near it. If they have six or eightthoseand cavairy and as many infantry they do and need not be immediately alarmed for their safety. The farmer who saw a hundred thouand cross the Potsmac would in all probability that there are over any thousand men of the relicious found, if closely examined, to be some cunning secesh playing on our credulity; and though it may do us good to be frightened into after will be complete. In a very short time their brighteness or making after the profisions of the million are of any best though it may do us good to be frightened into after will be complete. and cross the Potomac would in all probability more soldierly habits, it is not the part of true

FOR HORSES

FOR HORSES.

Is unrivated by any, and in all cases of Lanfeness, arising from Specias, Brinders of Wronching, its effect is magical and certain. Harness or Suddle Gulls' Scratchia, Mange, dec., its will also care speedily. Sparin and Bingbone may be easily prevented and offeed in their implement stages, but combinated cases are beyond the possibility of a cooleal care. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Lintment, and its faithful application will always remove the Lamences, and casable the horse to hard with comparative case.

Every horse owner should have this temedy at hand, for its dineity use at the first appearance of Lamences with effectually provent those formulable diseases mentioned, to which all horses are lable, and which render so many otherwise valuable horses nearly worthless.

DID'NT DO IT.

New York, Sept. 13. A letter from McClellan's camp says: I am assured that the 15th Mass., which was said to have discharged a volley into friendly ranks during A. BATCHELOR'S the retreat from Fairfax did not fire a gun and that Celebrated Hair Dye produces a color not to be discontent was the panic arose but there was the mischief was done by another Regiment. No reason enough to believe that the rebels were atstances without being seriously blamed. The 15th courage deserves also the credit of veterans for steadiness in trying moments.

CASSIUS M. CLAY. New York, 18th

Cassus M. Clay has been ordered to report in erson to Gen. Butler at New Orleans for duty in the Gulf Department,

ATTACK EXPECTED ON NASHVILLE Priladelphia, 13.

The Press of this city has received the following dispatch: Nashville Tenn., Sept, 5th 5 o'clock p. The whole of Gen. Buell's Army is hastening to the support of this city, which is now menaced by Gen. Braze, who follows our rear guard at a respectful distance.

The city is being fortified. Gen. Thomas will be placed in command with orders to defend the city at all hazards. Before this reaches you the fate of Nashville will doubtless have been decided.

An advance of the 76th Penn., 24th Ill., 1st Wisconsin, and 17th Kentucky accompanied by two batteries have left to tender their respects to Gen. Kirby Smiths rear. Fifteen thousand mer under Gen. Buell will leave to-night for the same destination. Eight thousand men from the arms of Gen. Resecrans under command of Gen. Jeffer son C. Davis have arrived here to-day for the pur pose of reinforcing Gen. Buell. Mayor Polk is lu lown today.
BEING FORTIFIED.

A refugee from Columbia says Capital Hill is be ing fortified. Gen Bragg will not catch us napping. The secessionists are bold, the unionists custful and undaunted.

IMPORTANT CAPTURE.

Вылимова, 13. The police made an important capture last night at the house of Dr. T. L. Williamson seven miles from this city on the Hookerstown road. Having eceived information that some rebel officers from the invading army were being feasted by their friends, the police proceeded thither and surrounded the house and while those within were having a jolly good time bagged the whole party, as folows: Capt. Harry Gilmore, Co. F. Stuarts Cavalry brafton D. Carlisle and Licut. Baine.

These men were disguised in citizens dress. The copie also seized Dr. Williamson, their entertainer and the following gentlemen friends: I. I. Hayward, J. H. Buchanan, Alexander Carrey, Martia McGaw. The whole party were brought to this city and are now inclose custody. The police were armed with rifles and were ready for any emergency.

The following booty was also found on the premses, two splendid horses, a sword, two revolvers a arge knife, a powder flask, some shoes, bouts, flannel shirts &c. intended for the rebels. These rebel officers belong to this city. It is thought they well justly meet the face of spics.

SAILED.
